**COMPENSATION CIRCULAR CM-424**

To: All Coal Mine Compensation Insurance Carriers  
From: Dale W. Broadwater, Executive Director *DWB*  
RE: Proposal CM-2-2008  
Revised Endorsements  
Terrorism Risk Insurance Program Reauthorization Act of 2007

The Coal Mine Compensation Rating Bureau (CMCRB) has submitted and received approval from the PA Insurance Commissioner, the withdrawal of two previously approved endorsements and the revision of two (2) other endorsements required by the passage of the Terrorism Risk Insurance Program Reauthorization Act of 2007 (TRIPRA). This endorsement activity is identical to the endorsement activity approved for the PA Compensation Rating Bureau (PCRB) as announced in their circular 1552, dated August 4, 2008. It is intended and essential that the CMCRB maintain consistency with the PCRB and countrywide approvals. This filing is approved effective September 1, 2008.

The two withdrawn endorsements are identified as follows:

WC 37 01 10 A-Terrorism Risk Insurance Program Reauthorization Act Endorsement

WC 37 04 07-Terrorism, Earthquakes, and Catastrophic Industrial Accidents Premium Endorsement

The two revised and approved endorsements are identified as follows:

WC 00 04 21 C-Domestic Terrorism, Earthquakes and Catastrophic Industrial Accidents Premium Endorsement

WC 00 04 22 A-Foreign Terrorism Premium Endorsement

The Statistical codes 9740 and 9741 as approved for the PCRB are also approved for CMCRB use.

Manual pages containing the approved endorsements will be distributed at a later date. Any questions on this filing should be directed to my attention.
