RE: Revisions to Workers Compensation & Employers Liability Forms
Updates to Manual and Statistical Plan
Proposal CM-2-2014

The Coal Mine Compensation Rating Bureau (Bureau) recently submitted three revised policy forms to the Pennsylvania Insurance Department (Department):

- 1) Workers Compensation and Employers Liability Insurance Policy – WC 00 00 00 C:
The references to several sections of the U.S. Code were revised.
- 2) Information Page Notes – WC 00 00 01 B: The reference to the Federal Mine Safety and Health Act was revised. Other minor editorial updates were also made.
- 3) Federal Coal Mine Safety and Health Act Coverage Endorsement – WC 00 01 02 B:
The name of the act in the title and body of this endorsement were revised. The statute section numbers were also amended.

In addition to these form changes, related portions of the Manual and Statistical Plan were revised to be consistent with these form changes.

The Bureau made this submission to maintain consistency with PCRB and countrywide (i.e., National Council on Compensation Insurance, Inc.) approved policy forms. The Department approved this filing to be effective **January 1, 2015**.

You may access the electronic version of this circular on the Bureau's website (<http://www.cmcrbpa.com/Circulars.html>). Also, the Manual page of the Bureau's website (<http://www.cmcrbpa.com/Manual.html>) has been updated to reflect these changes. Any questions concerning this announcement should be directed to the Bureau.
