RE: Proposal CM-1-2022

Proposed Loss Costs for Traumatic, State Occupational Disease and Federal  
Occupational Disease Coverages

To Be Effective: April 1, 2023

On November 21, 2022, the Coal Mine Compensation Rating Bureau of Pennsylvania (“Bureau”) submitted the captioned filing for approval to the Pennsylvania Insurance Commissioner. The proposal requests the approval of an overall 1.9% increase in manual loss costs. The attached exhibit displays the currently approved manual loss costs and the proposed manual loss costs by classification and coverage.

The Bureau’s filing also includes a revision to the Employer Assessment Factor applicable to classifications under the Bureau’s jurisdiction from 0.0268 to 0.0289.

Any policy with a Rating Effective Date on or after April 1, 2023, shall be issued on a tentative basis and should include the Pending Rate Change Endorsement (WC 00 04 04). The Bureau notes that Anniversary Rating Date provisions were eliminated effective May 1, 2017 and that information concerning this change is available on our website in Compensation Circular CM-468.

A complete copy of Proposal CM-1-2022 is published on the Bureau’s website under the “Filings” tab. You may access the Bureau’s website via [www.cmcrbpa.com](http://www.cmcrbpa.com).

If you have any questions about this proposal, please contact the Bureau by calling 717-238-5020 or by emailing [cromberger.cmcrb@verizon.net](mailto:cromberger.cmcrb@verizon.net).
