
INFORMATION PAGE NOTES

1. The sequence of Items 1 through 4 of the Information Page may not be changed except for Item 3.D. (See Note 14.) The format of each item may be rearranged and these suggested headings may be used: 1. Insured; 2. Policy Period; 3. Coverage; and 4. Premium.
2. The name and the five-digit NCCI carrier code number of the insuring company is to be shown prominently on the Information Page in the space above Item 1.
The address and type of insurer (stock, mutual, or other) are to be shown on the Information Page, the policy, or a policy jacket.
3. The policy number must be appropriately labeled and shown in space reserved above Item 1 on the Information Page. This number shall be unique to the company, shall not exceed 18 alphanumeric digits, and shall remain constant during the policy period. It shall be shown on all endorsements as well as all other policy-related correspondence after the policy is issued.
If the policy number displayed on the Information Page contains a policy symbol consisting of alphanumeric digits that are not entered into the carrier's internal statistical records as part of the actual policy number, those symbols shall be shown as a separate prefix and/or suffix to the policy number and appropriately labeled.
4. On the bureau copy of a renewal policy Information Page, use space reserved above Item 1 to show and appropriately label the prior policy number. This number shall not exceed 18 alphanumeric digits. If the number displayed on the Information Page contains a policy symbol consisting of alphanumeric digits that are not entered into the carrier's internal statistical records as part of the actual policy number, those symbols shall be shown as a separate prefix and/or suffix to the policy number and appropriately labeled.
New business may be designated "New." At its option, the company may show this on the insured's copy of the Information Page.
5. On the bureau copy of the Information Page, show the letters "AR" next to the title "Information Page" if the insured is an assigned risk.
6. Show in Item 1 the exact name of the employer insured and indicate whether the employer is an individual, partnership, joint venture, corporation, association, or other legal entity. If separate legal entities are insured in a single policy, consistent with the manual of rules, separately show the complete name of each insured employer and indicate each employer's legal entity status.
7. The Interstate/Intrastate Risk Identification number must be shown and appropriately labeled on the Information Page.
8. Reserve space in Item 1 of the bureau copy to show, if required, the insured's commonly required identification numbers such as: Arkansas Workers Compensation File Number; Hawaii Unemployment Number; New Mexico Unemployment Insurance Number; Oregon Contract Number; and State Employer Number.
The company may also show this on the Information Page at its option.
9. List in Item 1 or by schedule all usual workplaces of the insured that are to be covered by the policy. Also include the respective Federal Employer's Identification Number (FEIN), appropriately labeled, for each entity included on the policy.
10. The effective date and hour of the policy, and its expiration date and hour, must be shown in Item 2. The hour may be included as part of the printed form at the company's option.
11. List in Item 3.A. states where workers compensation insurance is provided. If none is provided, "none" or "not covered" may be shown. See, for example, the notes to the Federal Mine Safety and Health Act Coverage Endorsement.
12. Show limits of liability separately for bodily injury by accident and by disease in Item 3.B.
13. States may be shown in Item 3.C. by name or by designation, but do not name or designate a state listed in Item 3.A., a monopolistic state fund state, or a state where the insurer will not provide this coverage.
The following entry may also be included: "All states except North Dakota, Ohio, Washington, Wyoming, states designated in Item 3.A. of the Information Page and _____."
If the company learns that the insured is conducting operations in a 3.C. state, and if the company agrees to continue coverage, the company should add that state to Item 3.A. and remove it from Item 3.C. Normal company procedures apply when the state is added to Item 3.A.

- 14. Item 3.D. may be omitted so long as the list of the policy’s schedules and endorsements appears somewhere on the Information Page. Endorsements for which the company has not filed specimen copies with the rating bureau or bureaus having jurisdiction must be attached to the Information Page filed with the bureau.
- 15. The content of Item 4 may be rearranged by the company. If the policy is issued for less than one year, the company may state whether the premium information is shown for the policy period or for an annual period.
- 16. In Item 4, the development of estimated annual premium shall be displayed separately for each classification by state. This same display of premium development must be shown on any classification schedules attached to the policy. Total Estimated Standard Premium must be shown by state on the Information Page or on a schedule attached to the policy.
The experience rating modification factor shall be shown in Item 4 for risks subject to the experience rating plan, unless this factor is not available when the policy is issued. The company then may make an appropriate entry in Item 4 to show that the factor is not available. See the Experience Rating Modification Factor Endorsement for more information.
- 17. In those states where a schedule rating plan has been filed and approved, report the schedule rating information in Item 4, as required by the filed plan.
- 18. Premium discount may be shown in Item 4, the Premium Discount Endorsement, or both.
- 19. Taxes, assessments, deposit premium, interim adjustments of premium, the rating plan, past experience, cancellation of similar insurance, date and place of policy issuance, date and place of countersignature, and other related information may be shown in Item 4.
- 20. Three-year fixed-rate policies must be so designated on the Information Page as required by Rule 3-B-1-b of NCCI’s **Basic Manual**. In Item 4, the company shall report the premium information either as Standard Premium or Total Standard Premium as defined in Rule 3-A-20 of NCCI’s **Basic Manual**.
- 21. Other entries may be made on the Information Page as authorized by Notes to Endorsements, including: Anniversary Rating Date, Defense Base Act Coverage; Nonappropriated Fund Instrumentalities Act Coverage; Partners, Officers and Others Exclusion; Pending Rate Change; Sole Proprietors, Partners, Officers and Others Coverage; and Voluntary Compensation Maritime Coverage Endorsements.
- 22. The company may place the execution clause at the end of the Information Page, at the end of the standard policy, or on a policy jacket.
